

## **Kaj je DadaDisko?**

Družinski clubbing, ki staršem kljub mlajšim otrokom vrača plesišče, podmladku pa odpira vrata v svet kakovostne elektronike in kreativnosti.

## **Koliko stare otroke in starše nagovarja dogodek?**

Dokler si podmladek želi plesa s starši – dobrodošli! Lahko so v naročju, lahko pa vam skozi priprte oči pokažejo najboljše gibe, ki jih izzove glasbena podlaga. Predšolski otroci in osnovnošolci zagotovo.

## **Lahko pridem z otroškim vozičkom?**

Iz varnostnih razlogov vozički na plesišču niso dovoljeni. Na voljo bo parkirišče za vozičke. Predmete na dogodku puščate na lastno odgovornost.

## **Lahko moj mali žura sam, medtem ko grem po opravkih?**

DadaDisko je dogodek, ki temelji na povezovanju otroka in starša, zato nima smisla prešpricati tega družinskega žura. Prisotnost odraslega spremljevalca je nujna.

## **Je kakšen dress-code?**

Dress-code ni zapovedan, je pa zaradi še boljše izkušnje priporočen. Pisan, razigran, vse je dovoljeno lasulje, svetleče nogavice, maske, velika očala, bleščice.

## **Kako je z zvočno jakostjo?**

Zvočna jakost je prilagojena otrokom, do 70 db. Za lažjo predstavo: to je malo glasnejša govorna jakost, ki ne poškoduje sluha.

\*Če imajo vaši najmlajši ali kdo iz vaše skupine težave s sluhom, nam pišite na [info@dadadisko.si](mailto:info@dadadisko.si)

## **Ima dogodek posebne svetlobne efekte?**

Uporabljamo ambientalno osvetlitev in razigrano barvno paleto, ki poudari vzdušje, a se izogibamo agresivnim stroboskopskim efektom (hitremu utripanju bele svetlobe).

\*Če vas zanima karkoli specifičnega glede postavitve luči, nam pišite na [info@dadadisko.si](mailto:info@dadadisko.si)

## **Kako je poskrbljeno za obiskovalce s posebnimi potrebami?**

Želimo ustreči vsem specifičnim potrebam, ki jih imajo naši mali žurerji. Zato bi nam bilo zelo v pomoč, če vnaprej izvemo podrobnosti, da smo ustrezno pripravljeni.

### **What is DadaDisko?**

Family-friendly clubbing the gives parents the dance floor back even with toddlers in tow, while opening the door to quality electronic music and creativity for the younger crowd.

### **What age range of children and parents does the event target?**

As long as the children want to dance with their parents – you are welcome! They can be in your arms, or they can show you their best music-inspired moves while squinting. Pre-schoolers and primary school children are a clear fit.

### **Can I bring a pram?**

For safety reasons, prams are not allowed on the dance floor. A pram parking area will be available. Items left at the event are at your own risk.

### **Can my little one party alone while I run errands?**

DadaDisko is an event based on the connection between child and parent, so there's no point in skipping this family party. The presence of an adult companion is mandatory.

### **Is there a dress code?**

A dress code is not mandatory, but it's recommended for an even better experience. Colourful, playful, anything goes – wigs, shiny socks, masks, oversized eyewear, glitter.

### **What about the sound volume?**

The sound volume is adjusted for children, up to 70 dB. To give you an idea: this is slightly louder than speaking volume and will not damage hearing.

\*If your little ones or anyone in your group has hearing difficulties, please write to us at [info@dadadisko.si](mailto:info@dadadisko.si)

### **Does the event have special lighting effects?**

We use ambient lighting and a playful colour palette to enhance the atmosphere, but we avoid aggressive stroboscopic effects (rapidly flashing white light).

\*If you have any specific questions regarding the lighting setup, please write to us at [info@dadadisko.si](mailto:info@dadadisko.si)

### **What arrangements are made for visitors with special needs?**

We aim to accommodate any specific needs of our little partygoers. It would therefore be very helpful if we knew the details in advance so that we can be properly prepared.
